

# Improving Education – Linux and Open Source

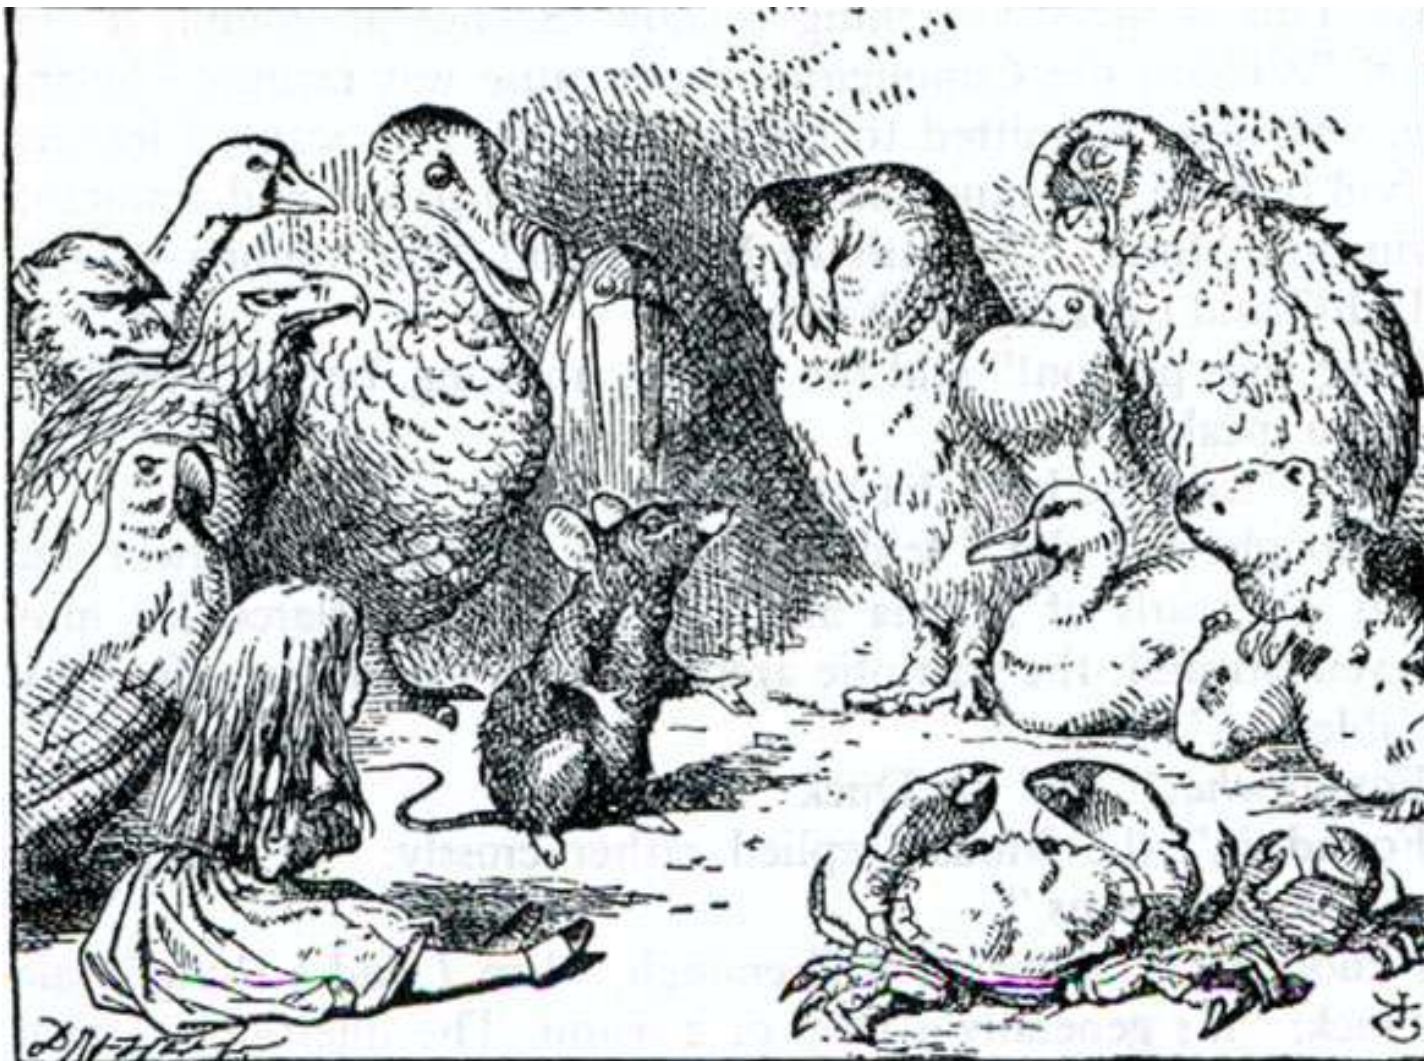

*An Alliance Technologies White Paper*

*by Josh More*

# What Is Linux?

# What Is Open Source?

# What is the Montessori method?

You can train or you can educate.

You can change yourself or change your tools.

Standard images are limited by design.

Standard images get in the way of your work.

Linux can get you where you want to go.

You don't have to be rich to use it.

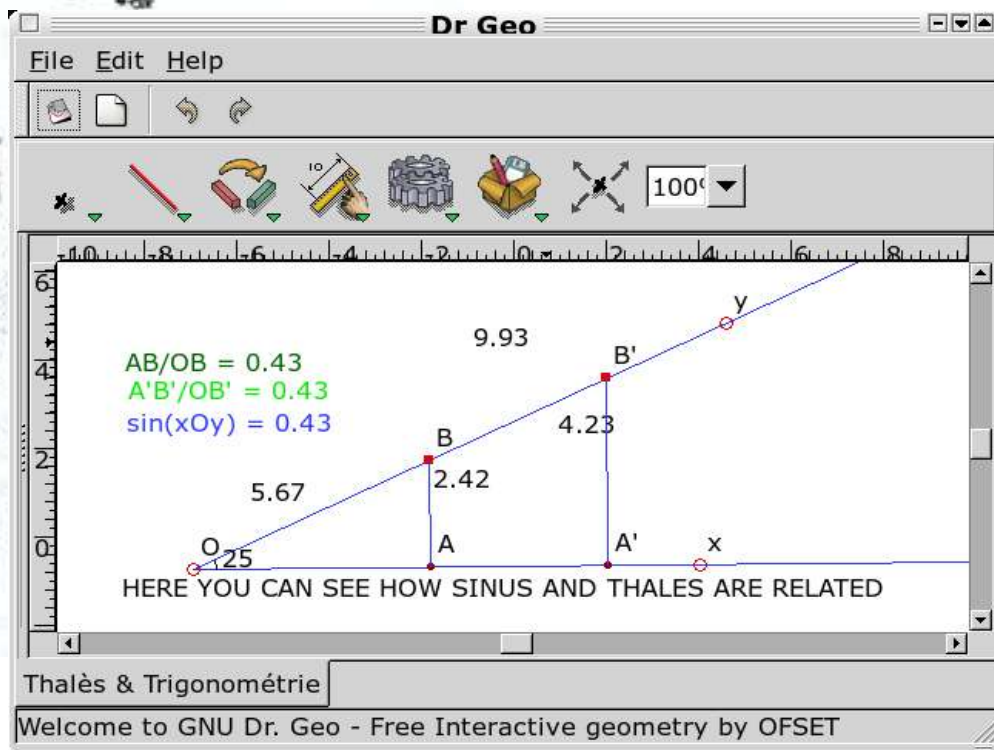

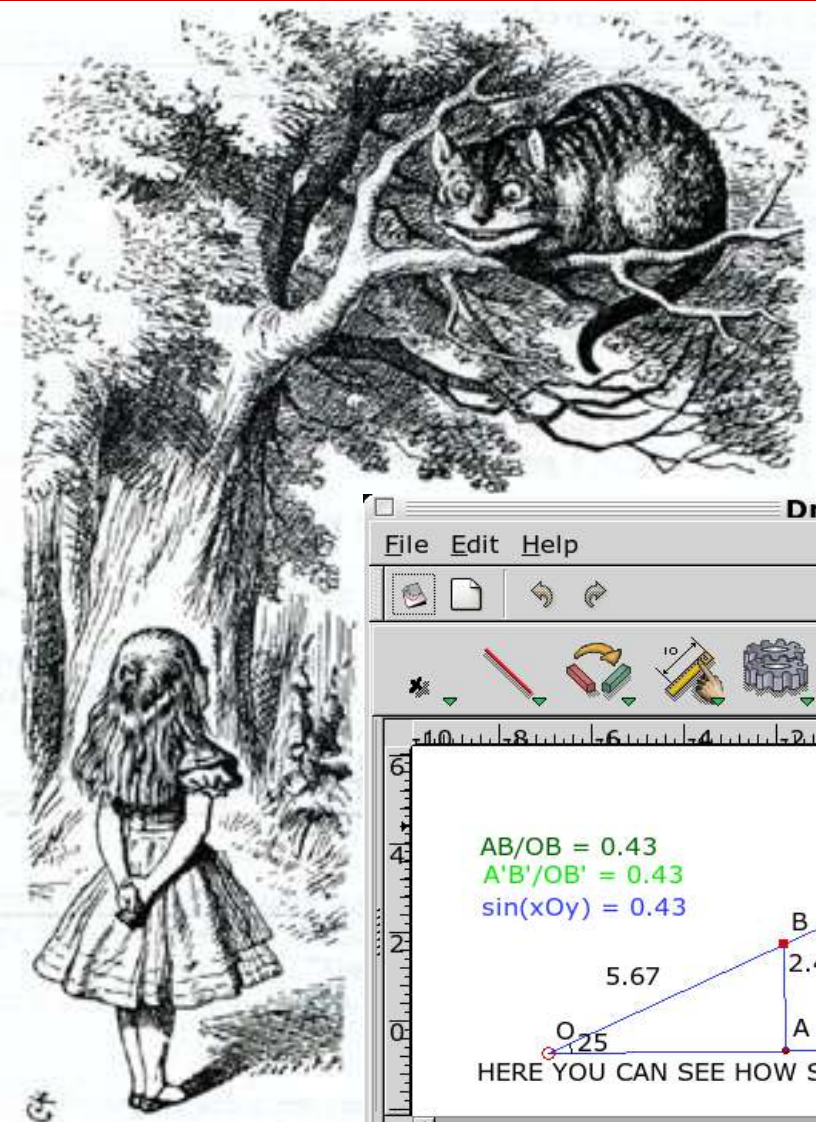

Ease of maintenance means more time for you.

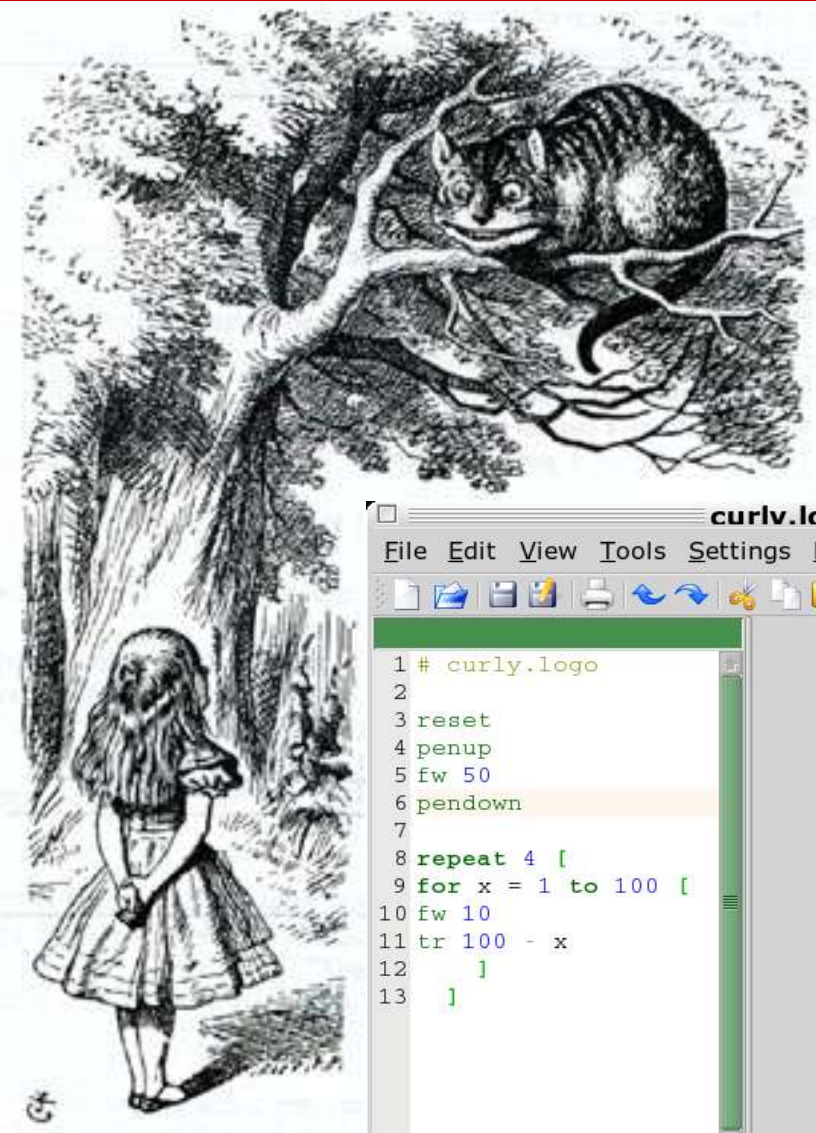

Flexibility, so you can do more.
